

Get in. Get out. Get hired.

Grow your Skills. Grow your Career.

At Skilled KC, we believe that every person should have access to an education that opens career opportunities. That's why we offer a different kind of curriculum that focuses on the skills that companies need.

By working directly with in-demand industries, we provide workers with the skills, training and experience necessary to succeed in just five to six months with little to no debt.

With thousands of well-paid jobs available in Kansas City right now, what are you waiting for?

THE SITUATION

1,000's
OF WELL PAID JOBS
are available in
Kansas City.

THE PROBLEM

44
PERCENT
of the workforce do not
have the credentials

THE OPPORTUNITY

Get hired
FOR THE JOB YOU WANT
in as little as five months.

We teach what companies need.

We design each of our programs in partnership with in-demand industries. They are hyper-focused on opportunities right here in Kansas City and accomplished in quick bursts that take months, not years. Enroll to learn skills that not only make you more employable right now — but make you more successful in the long run.

Learn more about each of our programs at [SkilledKC.org](https://www.skilledkc.org) and take control of your career today.

Software Development

Futureproof your career.

As companies grow, so does the need for experienced programmers. It's why companies are hungry for them. So much so, they'll take training over a degree. Get started now and get hired in just five months.

Training through our Software Development program gives you career options like front-end development, software development and junior web developer.

Courses are taught online beginning this fall.

INDUSTRY PARTNERS INCLUDE:

- CERNER
- MARKSNELSON SMART TECHNOLOGY
- UNITE PRIVATE NETWORKS
- FISHTECH

SOFTWARE DEVELOPMENT CERTIFICATE

5 MONTH PROGRAM • STARTING WAGE: \$24/HOUR - \$28/HOUR

Develop coding literacy and fundamentals with real-world experience. You'll learn to analyze, design, develop, test and modify computer applications and databases.

Forget student loan debt.

Students in the first year of Skilled KC study tuition free, their certificates underwritten by the Kauffman Foundation.

Learn more and earn more.
